

JUS Services Offered & Pricing

JUS Official Services provides flexible, strategic, and professional support for creators, artists, performers, influencers, and digital talent across multiple industries. Our services are designed to help individuals strengthen their brand identity, improve content direction, expand their audience, and create structured opportunities for long-term growth.

We intentionally work with both emerging and developing talent, offering accessible entry points while still providing the structure and insight typically associated with more established management environments. Because every client's needs, goals, and stage of development are different, most services are customizable and pricing may vary depending on scope, complexity, and level of support requested.

All listed price ranges represent the approximate range between Tier 1 (entry-level) and Tier 5 (premium-level) service structures. These costs are general estimates.

All services are negotiable based on budget, scope, and fit.

Please note that due to constantly fluctuating costs in the market, pricing can change at any time, without notice. Please contact us directly to request a quote.

BASIC SERVICES

Talent Management

Our primary service offering is full Talent Management, designed to help creators and artists build structure around their work so their talent has the strongest possible opportunity to grow sustainably.

Talent Management focuses on supporting the strategic, organizational, and growth-related aspects of a creative career while allowing the client to retain full creative control over their work.

Management services may include guidance related to brand development, audience positioning, content direction, opportunity evaluation, growth strategy, collaboration identification, release planning, and long-term development structure.

Management is designed to be flexible and tailored to each client depending on their goals, experience level, and desired level of support.

Monthly Fee Range:

\$150 – \$1,200+ per month

Commission Range:

10% – 20% depending on scope and level of involvement

Commission may apply when JUS Official Services contributes to the identification, facilitation, preparation, coordination, or support of an opportunity, including but not limited to:

- brand partnerships
- sponsorships
- collaborations
- performances
- appearances
- licensing opportunities
- affiliate partnerships
- merchandise initiatives
